REQUEST FOR QUALIFICATIONS

Interdisciplinary Science and Engineering Building, Project No. 999239 Materials Testing and Inspection Services

The University of California, Irvine requests the qualifications of firms interested in providing Materials Testing and Inspection services to support the Interdisciplinary Science and Engineering Building, Project No. 999239.

The University seeks a firm with the following:

- Multi-certified full time inspectors designated to this project for the entire contract duration
- Capability to provide rapid response for sample testing
- Design Build project experience
- Institutional/University construction experience
- At least one NDT Level 2 Inspector

The University will award a contract to the firm that is determined to be the best qualified based on an evaluation of the Statements of Qualifications received and interviews conducted with short-listed firms.

The selected Consultant and all Subconsultants will be required to follow the nondiscrimination requirements set forth in the Professional Services Agreement and to pay prevailing wage rates at the location of the work. No Consultant or Subconsultant may be awarded work under the Professional Services Agreement unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. Services performed under the Professional Services Agreement are subject to compliance monitoring and enforcement by the Department of Industrial Relations.

Procedures:

1. Obtain required forms. Contact Wendy Chew at (949) 824-1128 or wchew@uci.edu
2. Address qualification submittals as follows:
