

REQUEST FOR QUALIFICATIONS
PROGRAMMING & COST ESTIMATING SERVICES
for
UCI MUSEUM AND INSTITUTE FOR CALIFORNIA ART
University of California, Irvine

Under the guidelines of Calif. Public Contract Code 10510.4 - 10510.9, the University is seeking the best qualified firm to provide Architectural Programming and Cost Estimating Services for the UCI Museum and Institute for California Art project.

PROJECT SUMMARY

The proposed project would construct up to 80,000 gross square feet that would include extensive gallery space and associated conservation, storage, and other support space; scholarly activity space; meeting/seminar rooms; a 150-seat auditorium; a café; and administrative office and support space. The project would be implemented using the Design Build process.

REQUIRED SERVICES

The University seeks a facilities programming consultant to develop a Detailed Project Program (DPP) and supporting construction cost estimate for the proposed project. Qualified firms shall have at a minimum:

- Demonstrated experience in architectural programming and cost analysis of complex university buildings, museums, and design-build projects of similar size, scope and complexity.
- Proven ability to develop comprehensive programming documentation that includes site analysis, space program and functional requirements, adjacency and stacking diagrams, room data sheets/conceptual room layouts and conceptual massing.
- Proven ability to provide conceptual cost estimates at the project programming stage
